ADMINISTRATION

Washington-Clay Schools are organized on the 6-6 plan and are all commissioned by the Indiana State Board of Education on the continuous basis.

When school reopens in September 1936 Grades I-VI will be accommodated in four buildings with practically six grades each leaving the Washington school for Junior and Senior High.

These buildings are so located in the township that the danger and cost of transportation is reduced to the minimum while the efficiency of the school system is increased through careful organization and by proper grouping of classes into homogenous groups.

SENIOR PROPHECY

Paris, France
May 5, 1956

Dear "Dot",

After your splendid debut in the ballet last night, I hardly know how to address you, perhaps as a Senior Classmate from 'way back in '36, I may call you Dot?

Have you heard of our old friends and what some are doing now "20 years after"? I talked to Jean Von Hoene several days ago. She and Helen Kingsafer are "walking ladders" for the Podunk Public Library, and she told me to be sure to see Hilmer Seifferlein at Radio City. He is giving lectures every Tuesday on "Child Care."

My slumbers on the train were not very peaceful, the Singing Porter, Ray Brock, kept me awake 'till I threw a shoe at him and silenced him for a while. At the Grand Central Station, Keith Jones took my bag and drove my taxi to the Waldorf-Astoria. In the quiet of my room, I phoned the desk to have a boot-black sent up. Billy Jones came with his kit and told me Doug and Jack were his partners.

I went to Radio City to see Ray Bergland, the elevator operator; he took me to the 41st story where Maxine Parsons was ringing the gong in the Amateur Hour. Fred Sheeley was on the outside sill washing windows. Leaving the building I saw a group of Salvation Army Lassies down the street. As I came up to them I recognized Dot Hagenbuch, Olga Weis, and Emiline McCombs. Olga was reading a letter from Rev. Robert Maurer, pastor of the Seedsville, Indiana Community Church. He wrote that Gerry McHenry had been at the parsonage to sell him one of Graf's Moustache Clippers. Shortly after she left, Pat Mowers came to solicit funds for her orphanage.

I do wish you had been home in June, 1936 to be a bridesmaid at Junior's and my wedding. Our two sons will graduate this spring from Young's Barber College. They have been our pride and joy for 19 years.

May I visit you before I sail next month?

Your friend,

Roberta

Helen Davis

IN MEMORIUM

This page is dedicated to the memory of the two students who have died during the past year, Yvonne Ellis, June 1935, and Helen Davis, April 16, 1936

Yvonne had just completed the seventh grade in May when she was stricken by a fatal illness. Though an underclassman, she was well known by the student body and missed by her classmates.

The entire student body and faculty greatly feel the loss of Helen Davis, an outstanding leader in all school activities. Although only a Sophomore, Helen was an honor student, a member of the girls' chorus, band, orchestra, varsity basket ball team.

Because of the esteem held for Helen by the student body, a permanent memorial is being planned by the Student Council. Though the nature of the memorial is not definite, its purpose will be to encourage other students to excell in both scholarship and leadership in all school activities.

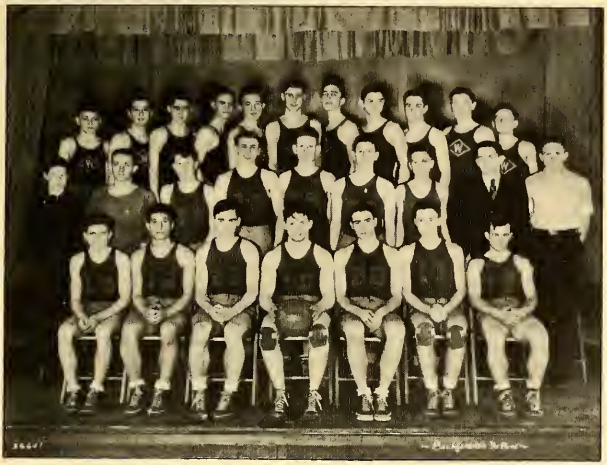
GIRLS VARSITY

The girls this year have waged a valiant but losing struggle. At no time, however, did they allow their losing to discourage them; they were just as enthusiastic at the end of a season as they were at the beginning. Much to the regret of the school and all others who have watched the girls play for the last six years, this is the last girls' varsity team.

Four good players will be lost by graduation this year. The players who must make a reluctant good-bye to the team are: Dorothy Howe and Irene Bariger, both of whom have played brilliant parts as forwards; Viola Goss, who has played a noble part at center; and Emiline McCombs, who played equally well at the position of guard. All of these girls were in the starting line-up.

Also this year we are losing the one who surely deserves a lot of credit, Dorothy Hagenbuch, the teams' manager.

Irene Bariger scored the most points this year by scoring 78 points, while Dorothy Howe is runner-up with 77 out of the number scored.



Back Row: Kubiak, Maurer, Shideler, Hunget, Hill, Greenwood, Christman, Leichtman, Eby, Domnoske, Warrick
Standing: McCallister, Manager; Coach Lindzy, L. Schmidt, J. Isenbarger, Bennett, Van Paemel, R. Isenbarger, Assistant Coach, Charlesworth, R. Schmidt, Manager
Third Row: Brock, Mirkin, Penkala, Klinger, Graf, Sparks, Jones

BOYS BASKETBALL

This year our team was on the rocks as far as winning games goes due to the fact that we lacked the experienced material. The boys felt bad about the loss of six games out of the first ten played. However, they didn't "let down" as might have been expected but managed to keep in good spirits in spite of defeat.

Our outlook for next years' team is good, for the boys have gained in experience, improved their form, some good material is coming from the eighth and ninth grades. Also, there is a sense of sportsmanship coming from inter-class play.

We are losing some good boys at graduating time this year including, Ray Brock, Paul Graf, Bill Jones, Monroe Klinger, John Van Paemel, of the first squad, and Bob Maurer, Jack Isenbarger, Douglas Eby, of the second squad.

The first twelve regulars, the number of games they have played, and the years in the varsity are as follows:

	G	Y
Brock	18	1
Graf	13	3
Jones	18	3
Klinger	13	3
Mirkin	19	2
Penkala	19	2
Sparks	17	2
Isenbarger	8	1
Leichtman	7	1
Schmidt	18	1
Bennett	7	1
Van Paemel	5	1

INTRAMURAL BASKETBALL

The Intramural basketball was played somewhat differently this year than previous years as there were no class teams. The teams were made up of members of any class in the school. There were three classes of basketball. The C class, for boys of the lower grades, the B class for boys and girls of the Junior High School, and the A class of boys and girls of the High School.

The rules this year were different from preceding years. The boys' rules were that any team could be made up of any persons in the school that are about the same weight and height. Each team was allowed eight players. The girls' rules were the same as the boys' as far as weight and height are concerned, but their teams were allowed nine players.

The winner of the C class was Tempe's team. They beat Worl's team in the finals by a score of 17-15. In the B class Wm. Christman's first team beat his second team by a score of 19-9. The girls in the B class finals were Pearson and Gardner. Each team displayed a fine game of basketball with Gardner's team winning by a score of 18-16. In the A class Ed Penkala and Isadore Mirkin's teams landed in the finals with Ed's team being the winning quintet. The finals were played in the evening. There should be some good varsity material for next year out of this year's intramural basketball.

Back Row: Kubiak, Penkala, R. Schmidt, Hill
Second Row: McCarrol, Klinger, Ballard, Emmons, Domnoske, Leichtman, Coach Lindzy.
Third Row: Greenwood, Graf, Jones, Sparks, L. Schmidt, Maurer, Liggett

BASEBALL

The 1936 baseball season was satisfactory even though many of the veterans were lost from the squad. The team proved to be the winner in 57% of the games played by defeating their opponent four times out of seven. The pitching staff consisted of Barrett and Liggett, with Sparks and Ballard doing the work behind the plate.

Thirty boys were out for varsity baseball this year. Three veterans, Graf, Klinger, Jones, were back on the squad. Next fall the team should prove to be a winning squad, because only three members will be lost by graduation.

The twenty-five piece orchestra, of the Washington Clay High School, under the direction of Miss Wolfe has made marked improvement since the first of the year. The orchestra lost several of its most experienced members through graduation. But on the other hand, they have retained some members who were able to win first place in the County Solo Contest last year, they are Karl Weis playing the trumphet, Sheldon Brady the mellaphone, and Virginia Chapman the Cornet. These members competed in the Senior Contest Division.

The new members have made considerable progress under Miss Wolfe's directing. This is Miss Wolfe's first year at Washington-Clay. Her position was previously occupied by Mrs. Van Sickle.

The orchestra is not equipped with uniforms, but this is one of the goals for which they are working. As yet the group has not made many public appearances, but intend to do so in the future.

The number in the Washington-Clay Band is steadily increasing. This year it had a membership of twenty-three.

"W" CLUB

In order to promote more interest in athletics at school a "W" Club was formed. It has been a very active organization and not only high school students but also the lower grade pupils joined.

At the first meeting the club elected the following officers; Jack Isenbarger, president; Raymond Brock, vice-president, whose duties were also to act as secretary and treasurer; and Virginia Rawlings and Martha Krug, executive board members. Because of her help in preparing several pep sessions, Dorothy Willis was elected to a new office, chairman of activities. Also because of his interest in starting and helping the club, Mr. Charlesworth was elected faculty advisor.

Twenty-five honorary tickets were awarded to the girls' and boys' basketball teams. There were one hundred regular members in the club. Also all the teachers bought tickets.

A physical education program in which Notre Dame students participated was sponsored by the club and Mr. Lindzy. Evening and afternoon performances were given. The club also sponsored all pep sessions.

CHORUS

The girls' chorus, under the direction of Miss Catherine Wolfe, has given several enjoyable programs this year. There are twenty-six members including Seniors, Juniors, and Sophomores. Besides singing here at Washington-Clay for programs, they sang at Ullery and Stuckey. The programs in which they sang included the P. T. A.'s, Washington Spring Musical, Baccalaureate, and Commencement.

Eight girls were chosen from the entire chorus to form a Madrigal Club. They sing Elizabethan songs of the fifteenth and sixteenth centuries, a capella. The club sang at the Community Church, Baccalaureate, and the Washington Spring Musical. It is composed of: June Christopher, Jean Von Hoene, Virginia Williams, Martha Krug, Dorothy Willis, Geraldine Gollnick, Helen Garrett, and June Bloomer.

The pianists for the chorus are June Christopher and Lucille Kryder.

Hilmer Seifferlein made the more or less minor part of the butler into a fine piece of acting as did the rest of the supporting case including Paul Graf, Raymond Brock, William Jones, Dorothy Hagenbuch and Particia Mowers.

SENIORS TAKE A HOLIDAY APRIL 22, FOR SKIP DAY

May 6- The school caught a glimpse of Paradise Wednesday, April 22, when those noisy Seniors skipped out for the day.

The skipping Seniors spent the morning in going 'round and 'round at the skating rink, and at noon an hour was taken for scraping dirt off faces and hands. At one o'clock the gang met at the Philadelphis for lunch.

After lunch the seniors scrambled for the Palace, dropping out on the way to fill pockets with peanuts. The party broke up after the show and the Seniors, still noisy, but tired, found their way home.

STUDENTS PLAN MEMORIAL TO HONOR HELEN DAVIS

April 27.- A Helen Davis Memorial Fund has been originated by the Faculty and Student Council of Washington Clay School. It is believed that because Helen Davis was such an outstanding leader in the school activities that some Memorial should be made to remind others of her achievements and to encourage others to do likewise. It is as yet, undecided exactly what to do. It has been suggested that a medal be given each year to the most outstanding leader in the school and that a first aid room be fully equipped in honor of Helen.

In the course of the work it is hoped that a new gymnasium floor will be laid. All work will be completed in about three or four weeks providing present funds permit. ANNUAL STAFF

The Annual Staff, supervised by Mr. Hugh Yoder has greatly improved the year-book. The Minuteman this year is larger than those of the previous years. The pictures are larger and the write-ups contain more information on school activities. The staff has also added a modernistic design to each page, making the annual far more attractive.

The Photo-Offset Process was used in producing the annual. By this process the staff can make their own plans for the annual and then the pages are photographed and reduced to the proper size.

The Staff has done considerable advertising by holding assemblies at the school. Sales talks were given by several of the members. They also put on a contest giving a box of candy to the class that purchased the largest number of annuals. The Senior class easily won the prize. The Popularity Contest drew much attention to the project and was the means of selling many annuals.

POPULARITY CONTEST

A Popularity Contest was held by the Annual Staff as a sales promotion of the year book. The provisions of the contest were that the most popular boy and the most popular girl in the senior class were to be chosen. Only those of the student body having made at least two payments on the annual could vote.

Olga Weis and Douglas Eby were elected the most popular girl and boy, but only after a spirited contest.

These two Seniors have been quite outstanding in all high school activities. Olga is an accomplished musician while Douglas has always been active in sports.

Olga has played several leads in other class plays but Douglas had his first lead this year. In spite of his inexperience he gave a very good performance, ably supported by the rest of the cast and leading lady, Olga. After their selection for this play it seemed quite appropriate that they be chosen the most popular representatives of their class.

This is not the first popularity contest in this school as one was held several years ago. The object of the contest was to raise money. For this reason a vote coat a penny and anyone was entitled to vote. The candidates were elected from each class (all classes were included) The winners of this contest were Dorothy Willis and Nelson Woodcox.

It is not known whether this same system will be followed in future years.
